Dear Colleen

Absolutely fantastic, along with many other endless superlatives that applied to the seminar and generosity that you brought to the evening at the **Pegasus Pony Club**, Friday evening the 27th July 2007.

The evening's attendance exceeded all our expectations due in no small way to Kirrilly's organisational expertise at rather short notice and the entire well founded hype and publicity surrounding your visit to **Pegasus**. I have received endless rave reports from all those who attended and much envy from those who did not take the opportunity to be a part of an extremely professional and enlightening seminar.

On the auction side the amount raised exceeded \$4,500, a significant proportion as a result of your generosity in donating not one but two experiences of a lifetime for a fully complimentary weeks personal training package plus at your property in Melbourne.

It was an absolute honour to have met you; both Kirrilly and I and members of the **Pegasus Pony Club** and the horse industry at large extend to you our sincere thanks, appreciation and gratitude.

We all share your immense passion for horses and the horse industry at large, and I know you will come in contact with many of our members again at the EQUITANA Precinct Melbourne Showgrounds, 15th to 18th November 2007.

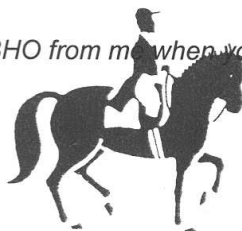

I look forward to meeting you again in the not too distant future, and "*hey, let's do July the 27th 2007 again sometime*".

Yours Sincerely

James Thompson
President Pegasus Pony Club
